Peter Mellette has successfully represented and advised health care providers on range of health law regulatory and corporate practice areas for 30 years. He has represented clients on over 150 successful Certificate of Public Need application, dozens of licensing and facility care issues, multiple transactions and contractual issues, and claims involving millions of dollars in provider payments. In 2017, Mr. Mellette was chosen by his peers to be honored as one of Virginia Business Magazine's Legal Elite, an award that recognizes Virginia's top lawyers in their respective fields.
